Du Fragment

The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom's naughtiness and how she lets him get away with too much.

Tom comes home at suppertime, and the news of his escapade is the talk of the town. He learns that he will be skipped school that afternoon and will receive a severe thrashing. While wandering the streets of St. Petersburg, Tom meets his old friend, Ben Watson, who tells him that school is closed because of high fevers. Tom has sworn the boy's secret to keep it a secret.

Tom goes out of the house to investigate the news. He sees Muff Potter as he enters the building. Tom is told that Muff Potter is absent. Tom and the new arrival, Joe Harper, "absent" the teacher from the room and eventually chase the newcomer all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirtied clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whiten the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of gadget. Jim almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his tasks.

Tom comes home at supper. The family is surprised to discover that Tom has been skipping school that afternoon and has read a great deal about the Dutch and German colonies, but not in Tom’s half brother, Ben, or his half-brother’s son, Sid. Tom has learned the Dutch language and dreams of future adventures.

Tom goes out of the house in search of Ben and Sid, who are now gone. Tom is喇叭-whistling. While wandering the streets of St. Petersburg, Tom is approached by an overwrought and aggrieved aunt Polly. Tom has just been punished. Aunt Polly is satisfied.

Tom and the new arrival are both sorry for the aunt and eventually choose the newcomer as a new friend.
